

NAVIBACK

NAVIBACK

MAIN FEATURES

NAVIBACK is a kit expressly created for RENAULT CLIO 3 and MEGANE 3 cars and it allows you to replace the OEM radio recovering the steering wheel commands functions and the OEM TOMTOM car navigation system.

The kit includes two modules:

- unit for the steering wheel commands recovering
- unit for the TOMTOM navigation kit restoring

NAVIBACK is provided with Plug & Play harnesses, for a fast and reliable installation. The kit features make you able to manage your radio and your navigation system just in the same way as the original one!
